SCHEDULE OF FACTORY MAINTENANCE SERVICE OPERATIONS

7,500 Mile Service \$139.99

(7,500 22,500 52,500 67,500 82,500 97,500 miles)

Includes:

- Oil Filter & Engine Oil: Replace**
 - Vital to maintaining/prolonging engine life
 - Keeps harmful engine-wearing deposits to a minimum
 - Genuine Volvo filters with high filtration capacity and two special valves to reduce the risk of clogging
 - Special sealing gasket and precision-cut threads secure the filter to prevent oil leaks
- Coolant Fluid Level: Check/Adjust**
 - Maintains proper operating temperature for longer engine life, avoids possibility of dangerous overheating
- Service Reminder Indicator: Check/Reset**
 - Clears codes for next scheduled maintenance
- Power Steering Fluid Level: Check/Adjust**
 - Helps assure smooth, responsive steering performance
- Tires: rotation, check pressure & condition**
 - Rotate tires if necessary
 - Check spare tire pressure every 2 years
- Brake Fluid Level: Check**
 - Assures proper braking performance
- Brake Pads: Check Wear**
 - Worn-out pads will result in irregular braking, reduced stopping power, and damage to rotors (discs)
- Washer Fluid Level: Check/Adjust**
 - Assures fluid is available when needed
- Parking Brake: Check/Adjust**
 - Assures proper cable tension is maintained
- Battery: Check Fluid Level & Mounting**
 - Determines power level and possible need for replacement

All prices are subject to change without notice.

15,000 Mile Service \$239.00

(45,000 miles)

(Includes all items from 7,500 Mile Service)

Additional items include:

- Bevel Gear: Visual Inspection**
 - *All-wheel drive models only*
 - Helps assure proper all-wheel drive performance
- Cabin Air Filter: Replace**
 - Volvo recommends filter be replaced once a year or more often in heavy traffic or dirty/dusty areas
 - Helps maintain cleaner environment inside the care
 - Filters pollen, road dust, spores and bacteria
- Exterior Lighting Controls: Check**
 - Assures that all lights are operating properly
- Doors, Hood, Trunk, Sunroof**
 - Lubricate Hinges, Latches, Sliding Parts
 - Assures smooth, quiet operation

30,000 Mile Service \$269.00

(30,000 90,000 miles)

(Includes all items from 7,500 & 15,000 Mile Services)

Additional items include:

- Fuel Lines: Check**
 - Assures against loss of fuel and poor fuel efficiency
- Brake Hoses & Lines: Check damage/leaks**
 - Helps ensure against brake failure due to damaged hoses

37,500 Mile Service \$254.99

(Includes all items from 7,500 Mile Service)

Additional items include:

- Air Filter Cartridge: Replace**
 - May be necessary to change more frequently when driving in dusty/dirty areas
 - New filter cartridge helps maintain proper engine operation characteristics
 - Maximizes fuel economy

- Reduces engine wear by properly filtering harmful dirt and contaminants before air enters the engine
- Brake Fluid: Replace if necessary**
 - Recommended to be replaced every year if driven in humid climates
 - Old, possibly contaminated (with water), fluid could lead to braking problems
 - Bleed system, fill with new brake fluid and pressure

60,000 Mile Service \$459.00

(Includes all items from 7,500 & 15,000 & 30,000 Mile Services)

Additional items include:

- Steering/Front & Rear Suspension: Check**
 - Maintains integrity of steering and suspension components and assures proper wear
- Driveshaft Joins & Boots: Check Wear/Play**
 - Assures proper wear and that foreign matter does not contaminate drive shaft joints
- Propeller Shaft, Pilot Bearing & Universal Joints: Check Wear**
 - *All-wheel drive models only*
 - Helps assure proper all-wheel drive performance
- Exhaust System: Check for Damage/Leaks**
 - Maintains quiet operation and proper emission control
- Spark Plugs: Replace**
 - New spark plugs are specially designed and calibrated to provide optimum engine operation
- Auxiliary Drive Belt: Check**
 - Ensures proper tension is maintained to operate alternator, A/C compressor and power steering
(V8 add \$125 spark plugs/ T6 add \$199)
